Thank you for attending the public information open house for the Atlanta-Chattanooga High Speed Ground Transportation (HSGT) Project, Project PTSC0-0023-00-002, P.I. No. T001684. In this handout package you will find a newsletter with a project description and maps, a comment card and a copy of the presentation you will view this evening.

As you enter the room, you will notice displays of the proposed project. Please take this opportunity to discuss the project with a project team representative.

A court reporter is available for those persons who would like to make a verbal statement about the project.
